# Land Rover 4X4 LOG - Facial

The screenshot displays the Acsys facial recognition software interface. The central video feed shows a man in a pink shirt sitting in the driver's seat of a vehicle. The interface includes a top bar with the 'Acsys' logo, a left sidebar with icons for Track, Classify, Verify, and Track Live, and a right sidebar with buttons for Track, Classify, Score, Verify, Extract, Double-click, Evaluate, Register, Abort/Reset, Identify, Track/Track Distance, Text, Enter/Track without, Track/Point, Evaluate, Text, Connect/Close, and Logout. The bottom status bar contains various system and user information.
