WALKING IN THE GARDEN

MADADENI welcomes you to our garden and encourages you to walk down to the pond, visit the rabbits, ducks and geese.

Please be aware that the geese can appear fierce to small children. They do tend to hiss a lot but it is just their way of communicating.

If you would like to FEED the animals, please DO, with pellets, or bread. These cost R5 per bag and can be found in a bowl in the lounge. Take a bag and leave the money.

BRAAI FACILITIES

MADADENI has 2 different braai's.

These are either at the top or under the tree above the pool area.

Wood you can get from the wood pile at the top near the back door or from the bottom of the garden.

POOL FACILITIES

MADADENI has a large pool which is surrounded by a security pool fence but there is no safety net.

There is a small pond which does not have a fence around it and can be quite alluring to little ones.

It is separated from the birds, ducks, pool, pond, rabbits and geese by a fence.

It is closed in from the road with an automatic gate.

Please ensure that children are accompanied by an adult in the pool area.

Madadeni does not hold itself responsible for any loss or damage.
